

Cedar&Muntasir(too excited, suddenly coming up through Lennon's system screen) : "No No don't search around ideas Lenny Bloomie said, Survival has no defined start or end compeer if it had then in the middle there wouldn't have been any survival at all due to the premise consuming itself as one..Ei Lenny how to apply it in reactions tell us tell us#..Dr Oh Factored Ortizs,#.."

Lennon(angry) : "you scoundrels get off from my system ok#.."

Gladys(excited,was with them) : "Margin said you could prove in those days why any axiom is self depended hence never unanimous but unequivocal which always hinders self reliance#..Gladly Syndrome,#.."

Lennon(scowl) : "thus that pro of system agnostic decision set a synical brat of applicability like you upon my poor works..FAMILIALLY#.."

Czeslaw(was present,straight) : "these instruments Lenny sometimes worry me you know what if the corners weren't really so there you know amongst us being here#..Instrument Implosion,#.."

Lennon(angry) : "i'm complaining to Daisy how you're ruining my thoughts EACH time is sees a new dawn which isn't ANALYTICAL but EPISTEMOLOGICAL unlike your Project : Baby Dawn,#..Baby Dawn Groudon,#,Dawn un..long,#,.."

Daisy(being connected and briefed,frown) : "a relationship is present according to changing need and conservant beings yeah#..DaisyDevil,#.."

Lennon(scowl) : "i'm sure you don't pop up mid observation when that jackal is forced to atleast clarify his presence#..Dr Jackal,#.."

Tracey(was present,thoughtful) : "but if you really wanted to know any position with respect to me you could've asked me about it too according to what i'll change my feasibility to be#.."

Cedar+Gladys&Muntasir&Czeslaw(too excited) : "as I'm..the jackal of conditions#.."

Lennon(very angry) : "hey hey zip it#..Trace you lowlife how did you pass the math tests hum#.."

Tracey(thoughtful) : "well they unlike in your case only asked if i could recall that this problem during past was presentable as future which i said makes no sense apart for a formula in relation#.."

Cedar+Gladys&Muntasir&Czeslaw(too excited) : "As i'm..the jackal of citation#.."

Lennon(scowl) : "and you expect me to provide you a platform AS A PRODUCT#.."

Daisy(frown) : "just in cases where they need to know what it does yeah#..DaisyDevil,#.."

Lennon(angry) : "oh yeah oh yeah i'm contacting Marc#..Marc The Mr Litman,#.."

Marc(contacted,briefed,haste) : "no no for resolution an applicable present situation#..Marc The Mr Litman,#.."

Lennon(solemn) : "fair enough i resign from here#.."

Fruit : "oh past states didn't for it's later thus now's now suit#/oh presence in self how to suit#/oh newly newly my#/oh duly duly didn't DIE#.."

Lennon(angry) : "Stashey why is your consciousness agnostic presence disturbing me hum#.."

Stash(being heard) : "you were asked compeer to facilitate a fruit but alas you said to thoughts show me how to me the expected can suit#..Guzzle Humdrum,#.."

Lennon(frown) : "i only follow Ash#.."

Ash(being heard) : "recipient then Phantom#..alas Lastly The Absorption Realization,#.."

Lennon(smile) : "indeed Ash axiom : Ah the Midas Touch#.."

Touch(being heard) : "shuu..else Along Passed#..shh..(with Ash,Stash and Fruit Juice=Suit Suite)..Oh Midas Touch,countering,#.."

Lennon(recording pauses,later,smile) : "hence i said compeers this thing is completely new but that's impossible too unless it's rather anew exactly what has happened in these papers#.."

Drew(was there,thoughtful) : "oh shadow hail judo real and education#/oh shadow reference to

wirh regards existence's calculation#/oh shadow being separated then axiom/little bit but if is..shadow you of only pointing Lantern#..

Oh Shadow Hail Identity's Education/Oh Shadow you there as Equation's bi directional Lantern#..

thus is this paper compeers the way to read it is to counter..why else is it needed at all#.."

Few Reviewers(suddenly too happy) : "we get it..shuu..Ah Midas Touch,#..Eh..stay at stay else there is blurred as else Along Passed#.."

Drew(happy) : "we walk alone in my unknown..i live there for that victory#.."

Those Reviewers(too happy) : "over what is..thus gotta miss..over what stands self of victory#.."

Drew(happy) : "thus the sacred scars of real are..counter to necessary#.."

Sakura(was present too excited) : "thus oh Midas Touch as Along Passed..hail hell judges now if illusion was necessary#.."

Existence(barring the Opportunists dimension agnostic present,as if something spontaneous) : "oh you're me thus so thee existence saying thus alas along passed#.."

Consciousness(similarly as if spontaneous reaction) : "thus the sacred scar of attempt and trial..became counter to mandatory#.."

Illusion(as if many scenes) : "Ah Midas Touch..Oh Along Passed Hell your rules meant regulatory#.."

Hell(something terrible) : "Oh Midas Touch this time though will come to atlast#.."

Reality(as if self explanatory) : "Alas counter then alongside own defined lane..will say look Along Passed#.."

Acadia=Reality Check=Obviously Made(being heard) : "Oh Lastly Lastly Phantom you witnessing scenery#/But look Midas Touch but real Passed.. obvious you made of allegory#/Thus Oh Real Check Ah Midas Nest/Made of What Along Obviously#.."

Touch(being heard) : "shuu..Ah Midas Touch,countering,#.."

Phantom : "Oh Phantom Phantom Lord/Hunt Me Down God,#..(all the Opportunists heard)..Ah!Midas Touch..shadow of result you survived Lantern#.."
