Jubilee Hands-On,#..so i stayed there cause he was of my height may be not weight 2 feet 27 kg never muscle nor fat never ready as all-ready..hands-on#..Civilization,#..so i asked um..but how that's gonna help if you lost too#, Physically#..that feeling#..so i said yeah i understand that the feeling is self separating in essence thus self effacing but i'm committed at home i come from Pewter this and that the reply is,meaning compeer meaning you're to me now had..Hands-On why be sad#,i asked you meant as you is always of past thus i can only myself have#,the presence compeer what is it at all in essence except being..not me..meaning i'm merely hands-on to the meaning to being as you said feeling carries on..just in lexicon thus self..this..look is just-Hands-On#,now i heard dad calling me so i said that's my dad calling me i feel so feel to react# why don't you two come with us,indeed compeer don't bother he will find us you need not to worry of me..then shouted SPACE COMPEER BARRIER NO DEFINITION.. LEXICON MEANS TO BE..Hands-On#,then i knew this was a nightmare of Eternal Hallfire#..so anyway i didn't want to leave cause this point seemed the safest..countering the greatest's superlative being alone by being own..Hands-On#,anyhow#,then dad comes up and sees him says,um..are you um..human#,the reply is a plan compeer just so that you could be a clan..meaning a ban on meaning from self of own not of the dome of being..duality Hands-On#,then i have no idea why dad sat down and said,you know compeer illusion is a hard thing to remove#..Boulder!Boulder!#,atleast we didn't interfere the functioning of the gym#,anyway the reply is,illusion..meaning is..countering self as me compeer look..Hands-On#..thus it's me compeer nothing to do with you to be real as dual..all embracement..Hands-On#,then similarly the rest 4 came in with all the pokemons and all and stayed there the whole leftover night and next day#..then we left with him to Boulder#..then later he took me and mom who was facilitating for Edu mind this to Northern Rainblue and Southern Blurpink border yeah with only a few pokemons dad said it's ok your

mom was on my head whole time as to why we didn't take her to Pallet forest#.so we went there mom he made to seat on a grass covered rock there none of which were either grass or rock though just substances# as if the there was a validated argument of where..space Hands-On#.and i was sitting just beside mom on the ground and this was 2 at night#.then so many sorts of creatures came 90% of whom we neither saw nor understood only felt#.and this brat was explaining nature..Hands-On the features of me#.so#,then after 2 hours all dispersed and we returned at 6:30 at home woke up next day#.by then the whole world was on fire though#.but then mom woke up and was so happy cause she said i was attached to my being you know physique the best interface still now it has become mind no trouble with whoever is coming#.so then all took this brat to the pertinent places at Saffron i was with them dad didn't come didn't have to#.so now they asked about this being and these antics and how he despite barely any fuel grows by days PHYSICALLY#,they saw him and said, it's an opportunity compeers as JUST..Hands-On#,then didn't say anything else this brat was with them nonchalantly sitting with them and doing whatever they do for whole day all stayed there for a day then he himself came out it was told that this is the sort of being who makes things opportune the moment question asks for it becomes fortune..thus merely thus no more just.. MEANING..Hands-On#.then told them that this sort of a menace of lexicon completely self created and inflicted#. doesn't come alone unless there's unbridled glee which means never comes ALONE#.then asked him what's the rest compeer,essence respected ones isn't it always whole unless that's my goal..spot on thus welcoming lexicon to carry the spot as real to me the dual with respect to it.. isn't this illusion Hands-On#.they said we deem it rather as an opportunity for own compeer thus them are ever known as they,this brat says that's the most opportune countering loom indeed respected ones the most soon..meaning solution if substantiated as essence of question as not this very process..me to becomes self..morality goes to honesty relative..ethics reactive look conformity..BOOM#,then the pertinent people said that's what's called the shadow of self the most this pest said,opportune#. Shadowy Lantern,#,..indeed,my fervent obisceneces#.Weather Chat,#..then all retured and he returned to Pallet forest only as the plane had to crash-land at exactly Ontefar point#.then all were safe not one blade of grass was touched the pilots said the plane itself stopped as if not one injury and infact they said when we were about to get our wheels out we were told but we don't see you here man where the hell are you actually not virtually then we and they also heard that position is impossible unless it's essence is known to itself as self..Hands-On#.so then we crash landed and it was that none felt a damn thing but the wing door opened and this brat jumped up all the rest were asleep when they all got back we found a little damage no fire the only thing missing was that there was to trace of Jubilee Hands-On#,Fowldung,Davo and Munu still tried to search after him all said are you alone#.they said we'll charge him of occultism all said yeah Hands-On#. Jubilee Hands-On,#,..so#then obviously i used to go to Pallet Forest with Trace,Cili,Jenny,Raddie,Margin,Dase and Luhum and we were like 1.5#.Odell and Miroslav uncle uncle always took us there they were too interested always#.and each time was like on Mondays and Fridays we went and stayed from 00 to 2 at night#.none ever saw Jubilee Hands-On anywhere in space outside of that time at Pallet Forest cause then he was at Blurpink-Rainblue crossing valley#.so many pokemons used to travel infact they were responsible for the flight hijacking too it's rumoured but like that sinister valley none knows what it is at all#.and no i went there once i still don't know what sort of a place that is#.Mr Desmond himself ordered an complete destruction of that place but they couldn't reach it either pokemons misbehaved by becoming too happy or the fight could never reach it wasn't possible to reach just that even the brats who carried us didn't go there un too much glee#.many years later it was found that this was one of the holes to dimensional doom indeed as speculated unveiled by

obviously Swift Question Ah Rest Caution Intent#.now obviously it's completely conserved since then itself as all said never allow anyone named Swift Question out of civilians HUMAN that is#.Reset Caution,#.exactly why#.and previously there were only 5 such places noted but since the arrival of The Opportunists of Hellfires#,it's shown to be atleast 50 atleast mind the degree#.and yeah these are unstable so they may never stay as they're now at all but the Blurpink-Rainblue one is the most stable#.but as well is the most unique and undefined and unreachable absolutely some say that is the place from where these menaces have come out as well which is brushed aside as speculation cause me and mom have been there the first ones then Sakura and Katya was the second and third ones then ofcourse we here all went there along with Marc the Mr Litman and Red Zaps off Stats both have been there when they came here#.none else have been there though they never wanted to go there cause it's said you can't reach the spot unless you have some Questions regarding space if you're assured you can never travel through it#.so#,then when i returned there this time with Viol and alone we couldn't stay there more than 10 minutes cause ideas of space returned to us it's said dually you can't stay there long Sakura and Katya went alone still because they wanted to win 20 minutes Marc the Mr Litman 40 minutes,Redzie 45 minutes#.none has any idea why they entered this profession Marc says these brats tricked me Redzie said Manthie injected this notion of knowledge in me#,who in turn says this brat ruined my integration of rationality with(laughing..) susceptibility#.man Percy Kalos is another brat of all times who doesn't live in time at all#.then when then took Nick was 3 months old the Hospital staff said we don't know from where he came none claimed anything now the brat is 5 told me last time origin uncle isn't it the most mysterious only if wondering#.so i said yeah i have some urgencies,yeah yeah natural uncle this is what i said i wonder about them still cause i stay apart during as well what do you do#,i said no some procedural efforts are pending#.anyway#.and for all this is true then Redzie and rest still had professional and all stuffs so was there like that long others never thinks of going there not even Sabrina but Stashey boy spent his entire childhood there ALONE#.it is said none no matter who unless proper or forwarded can stay there beyond an hour unless they're Master Brats#.they the whole gang can stay there infinitely#.which should be what we should be talking about here actually infact as we're being surveilenced#..

Yugandhra(excited) : "oh they said give us the procession then threatened to torture us so after sometimes we were scared but they became so angry with us saying this is what education teaches you how to defend yourself untill death ontological fools then instantly they became so happy and asked us what did they say#

So we recalled this questionnaire not the question as the answer is self sufficient by reasoning#..so we told them of this song..

then they smiled and said,

thus generality hurry specification's situation looms thus you now pedal ponder#

so they said they'll distribute the food then again made us unconscious then we woke up when Udo uncle was looking at us so concerned but beside him this man in charge of our abduction was also present as we woke up and it was proven that it was a safe Anastasia he told Udo uncle to train properly to make this technique efficient due to it's low risk takes () per week#.Bandits of Tranquility,#..then Udo uncle was so angry we didn't understand what he was complaining against but this man said first your things are safe with us as security not substance#..next our conversation the same which costs () in a fare deal#..thirdly the expenses for your stay there is to be borne by your parents or well wishers but because they didn't want it to prolong thus refused to pedal pondering over arising of something to set causally they must bear the expense of causality of attachment thus the total cost is () for a day's merriment#..then Udo uncle was so angry when this man said this is getting recorded it's not healthy for his profession to cede ground to his profession countering#..then we asked what happened to the food he said this is a slip we donated it to a homeless man his hand-stamp is here today the city is under surveillance rest assured of honesty then took the money and went out telling all ethical burglary is far more exciting than entertainment of luxury#..but a few Polices went out with him

this they said yeah man let's go for a drink ethically due to your declaration of happiness among them Udo uncle's own assistant Mr Jubinijet was there too#.so yeah grandpa we understand these issues but it's so exciting to entertain death cause life then lives on just as a reflexive help as Stashey would say Humdrum Humdrum thus or don't Guzzle why nuzzle nuzzle..me#.." sarvadA sarvadA'smAkam sannidhim saMnidhim kriyAt

-- A prayer to Goddess SARada (seen in the beginning of 4th sarga of raghuvamSam of mahAkavi KAlidAsa)

O Goddess SARadA! (who is having) the face like fully bloomed lotus of Sarad Rtu! O sarva+dA(sarva=everything, da=capable of giving; so sarvada is the one who is capable of giving everything i.e., the goddess of knowledge) always in our speech (sarvadA asmAkam vadanAmbujE) reveal (cause - kriyAt) and point towards (sannidhim) hidden treasure of TRUE knowledge (sat+nidhim - true supreme knowledge).

vAgdEvi or SARada or saraswati reveals herself in the faculty of speech which is called vadana. Only due to right knowledge one can achieve anything. She is sarvada as well. She should finally bestow the supreme knowledge that confers moksha!

সত্ত্বগণের চিত্ত মালিন্যতার পিছনে কোন প্রকার হেতু ও প্রত্যয় নাই। হেতু, প্রত্যয় ব্যতীত তাহারা সংক্ৰিষ্ট হইয়া থাকে। সত্ত্বগণের বিশুদ্ধির পিছনে কোন প্রকার হেতু ও প্রত্যয় নাই। হেতু, প্রত্যয় ব্যতীত তাহারা বিশুদ্ধ হইয়া থাকে। (তৎ নিমিত্ত) তাহাদের বল, বীর্য, শক্তি, পরাক্রমের প্রয়োজন নাই। সকল সত্ত্ব, প্রাণী, ভূত, জীব অবশ, বল, বীর্যহীন হইয়াও নিয়তি সংযোগে পরিচালিত হইয়া ষড়্‌বিধ জাতিভুক্ত হওতঃ স্বীয় স্বীয় জাত্যানুসারে সুখ-দুঃখ অনুভব করে

স্বহস্তে ছেদন করিলে বা (অপরের দ্বারা) করাইলে, দণ্ড দ্বারা পীড়ন করিলে বা করাইলে, শোক উৎপাদন করিলে বা করাইলে, শারিরীক কষ্ট প্রদান করিলে বা করাইলে, বিক্ষুব্ধ করিলে বা করাইলে, প্রাণীহত্যা ও চুরি করিলে বা করাইলে, সিঁদ কাটিলে বা কাটাইলে; গ্রাম লুণ্ঠন, এক এক গৃহ ঘেরাও করিয়া লুট, পথে লুকাইয়া ডাকাতি করিলে, পরস্পরের সহিত ব্যভিচার, মিথ্যা ভাষণ করিলে পাপ হয় না। এমন কি পাপ করিতেছি জানিয়া পাপ করিলেও পাপ হয় না। ধারালো ক্ষুরের চক্র ঘুরাইয়া এই পৃথিবীর সমস্ত প্রাণীকে কাটিয়া মাংসসমূহ একত্রে পুঞ্জ বা স্তূপ করিলেও পাপ হয় না; পাপের কোন আগমনও হয় না। যদি কেহ (তীরস্থ লোকদিগকে) হনন, আঘাত, ছেদন, উৎপীড়ন করিতে করিতে বা করাইতে করাইতে গঙ্গার দক্ষিণ তীর পর্যন্ত গমন করে, তাহার হেতুতে কোন পাপ হয় না; পাপের আগমনও হয় না। আবার, যদি দান, মহাযজ্ঞানুষ্ঠান করিতে করিতে বা করাইতে করাইতে গঙ্গার উত্তর তীর পর্যন্ত গমন করে, তাহার হেতুতে কোন পুণ্য হয় না, পুণ্যের আগমনও হয় না। দান, দম , সংযম এবং সত্যবাক্য ভাষণ দ্বারা কোন পুণ্য হয় না; পুণ্যের আগমনও হয় না।

দানে ফল নাই, অতিথি সংকারে ফল নাই, যজ্ঞে ফল নাই, সুকৃত-দুষ্কৃত কর্মে বিপাক নাই, ইহলোক নাই, পরলোক নাই, মাতা-পিতার প্রতি সুব্যবহার কিম্বা দুর্ব্যবহারে কোন ফল নাই, ঔপপাতিক সম্ব নাই। (তাহারা আরো বলিতে পারে) জগতে সম্যক মার্গপ্রাপ্ত, সম্যকপ্রতিপন্ন এমন শ্রমণ-ব্রাহ্মণ নাই যাহারা স্বয়ং অভিজ্ঞান বলে ইহলোক ও পরলোক প্রত্যক্ষ করিয়া অপরকে নিশ্চিত করিয়া এসকল সুকর্ম, দুষ্কর্মের ফল বলিতে পারে। অথচ বাস্তবে দেখা যায়- চতুর্মহাভৌতিক (দেহধারী) এই ব্যক্তি যখন মৃত্যুবরণ করিয়া থাকে, তখন তাহার দেহস্থ পৃথিবীধাতু মহাপৃথিবীতে গমন পূর্বক উহাতেই বিলীন হয়। অপধাতু জলে, তেজধাতু অগ্নিতে, বায়ুধাতু বায়ুতে গমন পূর্বক উহাতেই বিলীন হয়। ইন্দ্রিয়সমূহ আকাশে লীন হয়। পাঁচজন পুরুষ খাটিয়ায় করিয়া মৃতদেহ শ্মশানে নিয়া যায়। দাহস্থান পর্যন্ত তাহার গুণাগুণ বর্ণিত হয়, অস্থিসমূহ কপোতবর্ণ প্রাপ্ত হয়। আহুতিসমূহ ভস্মে পরিণত হয়। তাই এই যে দান, ইহা নির্বোধের ঘোষণা। যাহারা বলে দানে ফল আছে, তাহাদের বাক্য তুচ্ছ, মিথ্যা, প্রলাপমাত্র। মূর্খ ও পণ্ডিত উভয়েই দেহাবসানে উচ্ছেদপ্রাপ্ত হয়, বিনষ্ট হয়। মরণান্তে তাহাদের আর অস্তিত্ব থাকে না

ইহা আমার, ইহাতে আমি অবস্থিত, ইহা আমার আত্মা
